Dear Customers,

2005 Burgundies are finally coming!!!!!!

We are proud to introduce you the wines from Domaine Parent, a Family estate since 1650 located in Pommard

LES BOURGOGNES DU DOMAINE

“This famous firm, founded in 1650 has one of the highest reputations in Burgundy. It produced a bevy of 1964’s and 1966’s that I cut my teeth on when discovering Burgundy in the late sixties.

The 1er Cru wines are hand-harvested from their 24 acres of vineyards (mostly in Pommard) and are masterfully made.”
